

ECO GLEAM

Company
Profile

About US

Eco Gleam Industries is a leading manufacturer of high-quality cleaning products, specializing in detergents, soaps, Dettol laundry items, clothes fresheners, and dish soap. Our commitment lies in providing effective, safe, and eco-friendly cleaning solutions for households, businesses, and institutions.

ECOGLEAM

Our Vision

At Eco Glean, we envision becoming the most trusted and preferred supplier of cleaning products. With our unwavering focus on quality, safety, and customer satisfaction, we aim to contribute to a cleaner, healthier, and more sustainable environment.

Our Mission

ECOGLEAM

Our mission is to manufacture superior cleaning products that enhance cleanliness, hygiene, and well-being in homes and workplaces. We are dedicated to delivering innovative and sustainable cleaning solutions tailored to meet the diverse needs of our customers.

Target Audience

01

Homes and Individuals:

Families seeking safe, effective daily cleaning products, focusing on chemical-free solutions suitable for homes with children and pets. They prefer multipurpose, eco-friendly products with fresh fragrances

02

Offices and Small Businesses:

Business owners needing professional cleaning solutions for workspaces. They prioritize cost-effective, long-lasting products that maintain a healthy environment, purchasing in medium quantities.

03

Restaurants and Hotels:

Hospitality managers requiring certified cleaning products that meet strict hygiene standards. They need powerful solutions for tough stains and grease while maintaining food safety compliance.
